Officer P14 JOHN P. ATKINS

Date 12/01/2015

On Tuesday December 1st, 2015 I, Det. John Atkins, reviewed this case. I was familiar was Eickmeier and that she had reported similar allegations in the past against Kevin Kramer. I was also familiar with the constant child custody issues between Eickmeier and Kramer. I conducted a computer search and located 111 calls for service, involving Eickmeier beginning in 2009 to the present day. I printed out approximately 70 documented incidents (see attached) from 2012 through the present, involving Eickmeier, which pertained to child custody issues, allegations of sexual abuse against Kramer, and complaints about her behavior/possible drug use. The below listed information is only a synopsis of some of the reported incidents:

Reference CAD 13-8262, Eickmeier made a complaint against Kramer, advising that Kramer had stated he wanted to "murder Madeline, chop her body up, and hide the pieces." The report states that Eickmeier had just recently received a notice from Kramer's attorney about Kramer receiving sole custody of Madeline.

Reference CAD 13-15410, Eickmeier had contacted the Peru Police Department and wanted officers to check an after hours party for Kramer advising that he was using drugs. Eickmeier also advised officers that

Kramer is "dark and dangerous" advising that she had found letters in the past about Kramer wanting to "kill" her. Eickmeier stated that she believed that Kramer had killed Justin Pratt. Eickmeier made allegations that Kramer had possible sexually assaulted Madeline.

Outcome

Reference CAD 13-15941 Eickmeier had taken Madeline to OSF in Peoria, Illinois and made a report that Kramer had sexually assaulted Madeline, but the report was unfounded, and the Peoria Police Sergeant was concerned with Eickmeier's "state of mind".

Reference CAD 14-2096 Eickmeier had reported that Kramer was "suicidal", and had threatened to "kill" her in the past. The CAD was unfounded and Kramer advised that he and Eickmeier were in an ongoing child custody dispute, which is why she made up the above information.

Reference CAD 14-11792 Eickmeier stated that Kramer had threatened to "hit" her and reported that Kramer is a drug user.

X Reference report 14-16166 Eickmeier made an allegation that Kramer was sexually assaulting Madeline. Kramer was interviewed and denied any sexual contact, advising that Madeline had a diaper rash, which was confirmed by the hospital staff.

Reference CAD 14-16414 Eickmeier reported that Kramer had punched the couch with a closed fist.

Reference report 14-19393 Eickmeier denied Kramer visitation of Madeline from December 25th, 2015 through January 2nd, 2015.

The following CADs are reference Eickmeier denying Kramer with court ordered visitations

X Reference report 15-9262 Gordon Pearson reported on Eickmeier's behalf that Kramer had been sexually assaulting Madeline, which was unfounded.

2015.

Reference CAD 15-17039 it was reported that Eickmeier had contacted Justin Miller, via Facebook, asking him to "take care of a problem she has" accusing Kramer of sexually abusing Madeline. The reporting party was concerned that Eickmeier was manipulating Miller.

I observed a similarity in some of the reports Eickmeier had made and that Eickmeier seemed to contact the police alleging wrong doing against Kramer toward her and Madeline. I observed that Eickmeier would make the allegations after Kramer was given more custody time or parental rights, by the courts.

On Wednesday December 2nd, 2015 I called 815-915-7657 to speak to Miller to follow up on CAD 15-17039 and I was advised that I had the wrong telephone number. I attempted to contact Johnathan Goreth at 815-876-0242 and received a message that the telephone number had been changed or is no longer in service.

X I contacted Janet Hutchins (815-876-6090) and I advised her why I was calling. Hutchins advised that she is Eickmeier's mother and that she does not believe that Kramer is molesting Madeline. Hutchins stated that Kramer is not "her favorite person" and that Eickmeier is lying. Hutchins advised that Eickmeier had taken Madeline to several hospitals throughout Illinois to try and get someone to believe that Madeline is being molested. I asked Hutchins if Eickmeier had ever been diagnosed with a mental disorder and she stated that she had. Hutchins advised that a few years ago Eickmeier was admitted to Rosencrance in Rockford, Illinois for a heroin addiction. Hutchins advised that while receiving treatment for her (Eickmeier's) addiction Eickmeier was diagnosed as being bi-polar. Hutchins advised that she believes that Eickmeier is schizophrenic and stated that Eickmeier believes that objects talk to her. Hutchins advised that she cannot force Eickmeier to seek treatment or get Eickmeier to admit that she needs psychiatric help.

I asked Hutchins if she had any contact with Goreth and she advised me that she had spoken to Goreth on December 1st, 2015. I asked Hutchins if she could tell me more about Goreth's and Miller's conversation about Eickmeier contacting Miller on Facebook. Hutchins stated that Goreth is her son and is friends with Miller. Hutchins advised that Miller saw Goreth at a Princeton, Illinois gas station and asked Goreth about Eickmeier. Hutchins stated she did not know what was said but Miller advised Goreth that Eickmeier had asked him to "beat up Kramer". Hutchins advised that she did not know the whole story and advised me to contact Miller and Goreth. I advised Hutchins that I tried calling Goreth but the number was disconnected. Hutchins advised that Goreth has a pre-paid phone and is out of minutes, but still has the same telephone number. Hutchins advised that when she sees Goreth again she would advise him to call me. I thanked her for her time and I ended the call.

On Thursday December 3rd, 2015 I received a call from Goreth advising me that his mother had told him to call me. I asked Goreth if he had received the Facebook messages from Miller and he stated that he had not. Goreth stated that he had not seen Miller since the day they spoke. Goreth stated that he does not normally talk to Miller and that they met at a gas station in Princeton, Illinois in passing. Goreth stated that Miller asked if Eickmeier is his sister and told him about the Facebook conversation. Goreth stated that he did not think that Eickmeier wanted Miller to "kill" Kramer and only wanted Miller to possibly "threaten" Kramer but he was not sure. Goreth stated that he only reported the incident to the police for his mother's sake and for the safety of Madeline. Goreth stated that Eickmeier had been an abuser of prescription pills and that he believes that Eickmeier is making up the allegations due to the current custody issues with Kramer. Goreth stated that Eickmeier had taken Madeline to numerous hospitals to get someone to believe that Madeline was molested. Goreth stated he believes that the allegations are untrue and is worried about Madeline's mental health due to numerous doctors examining her private area. Goreth stated that he would contact me if he speaks to Miller again. I thanked him for his time and ended the call.

I contacted the Bureau County Sheriff's Department and the Princeton Police Department to see if they could locate Miller and have him contact me. I was advised by members of both departments that Miller has been contacted numerous times by each department and does not like law enforcement. I advised both departments to pass along the information and let me know if Miller is contacted.

As of January 12th, 2016 I have not received any calls from Miller.

FEMALE IN THE LOBBY REPORTING THREATS HER HUSBAND HAS MADE TOWARDS HER.

K-92 add: I spoke with Eickmeier in the interview room. Eickmeier said that she and her boyfriend, Kevin Kramer, have been having relationship issues and she voluntarily moved out a couple nights ago and stayed at a friends (did not want to give name) house in LaSalle. Eickmeier and Kramer have a baby together, Madeline, which Madeline was currently staying at Kramer's parents house in Peru. Eickmeier said that while she was at the friend's house in LaSalle, Kramer came over to talk with her. Eickmeier said that Kramer told her that he sometimes felt like murdering her and would chop her body up and hide the pieces of her body in the friend's house. Eickmeier said that there has been domestic issues in the past with Kramer but nothing had been documented. Eickmeier said that there was no custody paperwork for Madeline and she received mail from Kramer's attorney that stated Kramer was going for sole custody of Madeline. Eickmeier wanted to know what her options were. Eickmeier expressed that she may even move back in with Kramer. I gave Eickmeier a domestic violence sheet and the ADV/SAS card. I advised Eickmeier that she probably should seek an attorney as well if she wants custody of Madeline. I advised Eickmeier if she moved back in with Kramer and domestic issue arises then she needed to contact the police right away. #K-92

SD 4316

I spoke with Peoria Police Sgt. McMillen who advised he was called to OSF due to a female, Julia Eickmeier suggesting her daughter, Madeline Kramer had been sexually assaulted by her father, Kevin Kramer. Sgt. McMillen stated while speaking with Eickmeier he became concerned Eickmeier's state of mind. I advised Sgt. McMillen that we have had previous contacts with her regarding similar incidents. Sgt. McMillen asked if I knew who had custody of the child and I stated I believed that had not been determined as of yet, but I would find out.

I called Kevin and he did not answer. I called his mother, Mary and she stated custody has not been determined yet, but there is a court date this Wednesday regarding the matter. Mary stated in the past Eickmeier has accused her father of sexually assaulting her sister, recently a friend (now former) of hers of sexually assaulting his child and has previously suggested that Kevin has assault Madeline.

I called Sgt. McMillen back and advised him of what I had learned. Sgt. McMillen stated at this point he did not have enough to remove the child from Eickmeier's custody.

Initial Report

Officer P20 PAUL, JEFFREY M.

Date 10/23/2014

On 10-23-14, I (Ofc. Paul) was dispatched to the IVCH ER for report of a possible child abuse/assault.

Upon arrival, I spoke with ER Nurse Ashley Freitag who related that a woman, later identified as Julia Eickmeier, brought her one year old daughter Madeline Kramer in for an exam. Eickmeier said that she suspected possible sexual abuse/assault by the father Kevin Kramer. Freitag said she and Dr. Sergey Golber examined Madeline and believe that she had a diaper rash but there were no signs of any abuse or assault. Due to the allegations, Freitag contacted police. Freitag also reported the incident to DCFS. They advised her that the incident would be documented but no investigation would be completed due to the medical professionals exam results.

I then spoke with Eickmeier and her boyfriend Adrian Perez. They related that since the time Madeline was seven months old until now that she is twenty one months old, they have noticed behavior changes along with physical signs of possible abuse. Eickmeier described the behavior as almost a sexual fetish. She said after visitation with Kramer, Madeline would cross her legs, pull on her diaper, grab her vaginal area and cry when having her diaper changed. Madeline has also put her hands down Eickmeier's pants and grabbed her genital area as well. She described the physical signs as severe darkening redness and swelling around the

vaginal area. Eickmeier said she has made approximately fifteen to twenty reports of this in the past to various hospitals, police agencies and DCFS. She was told that the incidents would be documented but no investigation would be completed without confirmation from a health care provider. She said none of the doctors have been willing to testify that there were signs of abuse. Eickmeier has asked Kramer about the incidents and he replies that he doesn't know what she is taking about. Kramer then becomes upset about her questioning him. Eickmeier has talked to Kramer about proper care and diaper changing but does not believe this is causing the irritation. Eickmeier said she has documented the times when Madeline has irritation in her genital area and it is not consistent with normal diaper changing. She said she has never observed this type of irritation any time other than when Madeline has visited Kramer.

I requested Eickmeier and Perez to complete written statements of the incidents.

I then spoke with Dr. Golber who related that he has seen many cases of abuse/assault. He said in this case he believes the irritation is due to diaper rash and sees no signs of any assault. Golber said he can not rule out the possibility that Madeline was assaulted however there is no evidence to indicate it at this time.

I contacted Kramer and advised him of the report. I requested that he come to the station for an interview to which he agreed. Kramer said he would be glad to cooperate but this was becoming ridiculous. He said Eickmeier has reported this abuse several times with no basis. He said he has never abused his daughter.

Later in the shift Kramer arrived at the station. We entered the interview room and I advised him of his Miranda Warnings. I advised that the interview would be audio and video recorded. Kramer initialed and signed the waiver form before agreeing to speak with me. I explained the concerns of Eickmeier and the examination. Kramer said he had custody of Madeline from 12:00 to 17:00 today. She had the diaper rash at the time he got her. Kramer did not have any cream for the rash and changed her three times throughout the day. He thought everything appeared normal other than the rash. He said the rash was much more than normal and covered a larger area. Normally the rash is smaller and only on Madeline's rear. This is a regular occurrence about once a month. Kramer said he and Eickmeier are the only ones that watch Madeline on a regular basis. Kramer's parents used to watch Madeline until Eickmeier accused his mother of wiping her too hard when changing her diaper. They talked about the rash today when he picked her up. Eickmeier said she had been putting cream on it but it did not appear there was any on her at the time nor did Eickmeier put any on while she changed her. Kramer said he was concerned for Eickmeier's mental health as she continues to make these allegations against him. She has gone to the Princeton Hospital and the Peoria Hospital in the past with the same claims of abuse. Eickmeier tells him that she believes when children grab their diaper or squeeze it together between their legs it is to stimulate themselves sexually. He believes that this is due to irritation or just part of her normal development and is not in any way sexual. DCFS has contacted Kramer previously regarding this issue and has determined the claims to be unfounded. Kramer said he was very

Officer P28 BRADLEY D. ANDERSON

Date 12/04/2015

On 12/4/15 at 22:14hrs, Officer Paul and I (Officer Anderson) were dispatched to 2830 4th St. for a report of possible abuse of a child (Reference CAD 15-17894). Upon our arrival, we observed a running vehicle sitting in the driveway of the residence. We approached the vehicle to find Julia Eickmeier sitting in it with her daughter and an adult male subject. Julia exited the vehicle to speak with us. She stated that her daughter Madeline Kramer just returned from her father's house at 9pm. Julia said that Madeline told her that "daddy grabbed my crotch." Julia also mentioned that Madeline is showing other symptoms of being abused. Julia told us that she planned on taking Madeline to the hospital for examination, but she is now unsure if she should take her or not.

When asked what other symptoms Madeline was showing, Julia quickly changed the subject and stated that a doctor told her that Madeline could be "full on raped and not have any physical signs." Officer Paul questioned Julia about the validity of that statement. She became irritated and told Officer Paul that he was not a doctor. Officer Paul stated it was common sense and merely his opinion. She told him that she was not interested in his opinion. She did not reveal any further symptoms that Madeline showed.

Officer Paul spoke with Julia about her options for tonight. Julia was advised she could take Madeline to the hospital if she chose to do so. She was also advised that if she wanted to fill out a statement she could come down to the station and we would speak with her in an audio and video recorded room. Julia became agitated and stated that she would not be giving Officer Paul a statement tonight.

On Tuesday January 12th, 2016 I, Detective John Atkins, reviewed the facts in this case and contacted YSB worker Judith Frecchio-Allen to find out about the case status. Allen advised me that Eichmeier had decided that she did not want to work with her and Allen closed out the case and she directed me to contact her supervisor, Jackie Knight (815-431-3034).

I called Knight and left a message for her to contact me. I contacted DCFS Inv. Trevier and left her a message to contact me. Knight returned my call and advised that they had Eichmeier lined up to seek counselling, then she declined any services or to be assisted by YSB. Knight advised that the case had been closed due to lack of cooperation. I thanked her for her time and ended the call.
